

We Are The People

We are the people
Of the Tsalagi Nation
We're strong and we're proud of who we are

We are the people
Rising up from the ashes
Like the beautiful Phoenix in the sky

And we're gonna fly so high
We'll spread our wings across the great blue sky
We're gonna fly so high

We are the people
Ani yun wiya
We're strong and we're proud of who we are
